The American Numismatic and Archeological Society,
Academy of Medicine Building,
17 West 43rd. st., New York.

Gentlemen:

Some time ago I saw in the paper that the former curator of your society, Mr. Edward Groh, died. I was sorry to note this as I have reason to think very highly of him. I would like to know the name of the present curator or some one expert in ancient coins and antiquities for the reason that I wish to write to him for information. Kindly give his name and post office address.

Thanking you in advance, I am

Very Truly Yours,

J. C. Gores
